Makow– The Satanist Jewish Plot to Destroy Civilization

Wednesday, March 29, 2023 14:57

(Left, Quote from World Jewish Congress Founder Nahum Goldman 1895-1982- Forgive me for posting this again but people these days have short attention spans and even shorter memories.)

We can't defend ourselves if we can't even name the enemy.

We face an occult force. Organized Jewry and its minion Freemasonry, are dedicated to destroying civilization.

The plandemic is inspired by the satanic doctrine

of "Creative Destruction" found in Cabalist Judaism & Freemasonry. They are beginning their third world war to cover their COVID tracks.

They require the destruction of the old order which was dedicated to fulfilling God's Will.

Then, the "Great Reset" will create a "New World Order" dedicated to serving Satan. Hell on Earth. Satanism.

It's time to stop parsing their lies and focus on the OCCULT nature of the challenge we face.
Humanity suffers from a debilitating cancer. Satanist Jews and Freemasons control our blood supply (the banking system.) They have leveraged their

control over government credit to subvert every social institution: government, media, education, religion, medicine, law. Their Communism is the control of every facet of human life.

Putin's invasion is a genuine challenge to the globalist agenda which dooms not only Russia but the whole world. Western goyim are helpless to resist since they have been brainwashed to eschew anything that can be termed "antisemitism."

Nahum Goldman quote continues.
"All social strata and social formations created by traditional society must be annihilated, individual men and women must be uprooted from their ancestral environment, torn out of their native milieus, no tradition of any type shall be permitted to remain as sacrosanct, traditional social norms must only be viewed as a disease to be eradicated, the ruling dictum of the new order is; nothing is good so everything must be criticized and abolished, everything that was, must be gone.

After destruction of the old order, construction of the new order is a larger and more difficult task. We will have torn out the old limbs from their ancient roots in deep layers, social norms will be lying disorganized and anarchic so they must be blocked against new cultural forms and social categories naturally re-emerging. **The general masses will have been first persuaded to join as equals in the first task of destroying their own traditional society and economic culture, but then the new order must be forcibly established through people again being divided and differentiated only in accordance with the new pyramidal hierarchical system of our imposed global monolithic new world order."** END QUOTE

The German War: The Spirit of Militarism (in German) The above is the English translation of his work found at pg 37-38 of the original 1915 work

In *The Controversy of Zion*, Douglas Reed writes, **"The *Protocols* [*of the Elders of Zion*] elevate the theory of destruction to this status of "a fundamental truth, a primary or basic law, a governing law of conduct'… In many passages, the *Protocols* appear, at first sight, to recommend destruction as a thing virtuous in itself, and consequently justifying all the methods explicitly recommended to promote it (bribery, blackmail, corruption, subversion, sedition, mob incitement, terror, and violence) which thus become virtuous too." (p. 211)**

J. Edgar Hoover, *The Elks Magazine (August 1956).*

Yet the individual is handicapped by coming face to face with a [Communist] conspiracy so monstrous he cannot believe it exists. The American mind simply has not come to a realization of the evil which has been introduced into our midst. It rejects even the assumption that human creatures could espouse a philosophy which must ultimately destroy all that is good and decent."

*(**Editor's Note**. I posted this ten weeks ago but we need to understand the enemy's real occult nature. They smile and lie to your face while they stick a knife into you. They call decadence and death "progress." Snap out of it folks. We're dealing with Evil incarnate. **See the new First Comment below article.**)*

The Doctrine of "Creative Destruction" provides a key to understanding the gratuitous destruction wreaked by lock downs, mask orders, etc.

According to the Kabbalah, which is the defining doctrine of Judaism and Freemasonry, **"Evil and catastrophe [are] endemic factors in the process of creation. Without evil there could be no good, without destruction, creation could not take place."** *(Kabbalah: An Introduction to Jewish Mysticism*, by Byron L. Sherwin, p. 72.)

Cabalists believe the Old (Christian) Order must be ruthlessly destroyed before the New (Satanic) World Order, based on the Kabbalah, can be built.

Hence, the Illuminati motto: *"Order Out of Chaos."* Hence, the Communist Manifesto advocates the destruction of nation, religion, and family and the transfer of all private wealth to the Illuminati bankers, in the guise of the state.

The Doctrine of Creative Destruction explains why war and revolution have been characterized by gratuitous genocide, terror, and destruction.

It explains the banishment of God from public discourse and the widespread acceptance of obscenity, pornography, and the occult. It explains the attack on gender and the promotion of homosexuality to heterosexuals. It explains the spate of false-flag terror that is a hallmark of modern life.

THE ILLUMINATI

The present-day Illuminati grew out of the satanic "Sabbatean-Frankist" Jewish heresy in the 17th and 18th centuries. The bankers and half the Jews of Europe adopted this pestilence and spread it to the Gentile elites through Freemasonry.

Thus, Illuminati Jews characterize the "Jewish" role in terms of the destruction of civilization.

For example, in the book *"You Gentiles"* (1924) Maurice Samuel writes:

"In everything, we are destroyers-even in the instruments of destruction to which we turn for relief…We Jews, we, the destroyers, will remain the destroyers forever. Nothing that you will do will meet our needs and demands. We will forever destroy because we want a world of our own." (p. 155)

In 1928, Marcus Ravage, a Jewish Rothschild biographer wrote an essay entitled, *"The Real Case Against the Jews."*
"You have not begun to appreciate the real depth of our guilt. We are intruders. We are disturbers. We are subverters. We have taken your natural world, your ideals, your destiny, and played havoc with them. We have been at the bottom not merely of the latest great war but of nearly all your wars, not only of the Russian but of every other major revolution in your history. We have brought discord and confusion and frustration into your personal and public life. We are still doing it. No one can tell how long we shall go on doing it."

(*THE CENTURY MAGAZINE*, JANUARY 1928, Vol. 115, No. 3, pp. 346-350.)

In *The Controversy of Zion*, Douglas Reed writes, "the *Protocols* [*of the Elders of Zion*] elevate the theory of destruction to this status of "a fundamental truth, a primary or basic law, a governing law of conduct'…In many passages the *Protocols* appear, at first sight, to recommend destruction as a thing virtuous in itself, and consequently justifying all the methods explicitly recommended to promote it (bribery, blackmail, corruption, subversion, sedition, mob incitement, terror, and violence) which thus become virtuous too." (p. 211)

WHY THE KABBALAH IS SATANIC

Religio means "to go within" i.e. "to know and obey" God. In any true religion, God comprises absolute spiritual ideals — love, truth, justice, goodness, beauty, harmony — pure and unalloyed. God is nothing if not Moral – i.e. Good.

Evil is the *absence of God*, just as darkness is the absence of light.

(Kabbalists Trump and his dad)

The Kabbalah says God is unknowable and has no form. This is Satanism. You cannot obey God if you cannot know Him.

"To the Cabalist, God is an infinite Sea of Being (*En Sof*) without any limit; hence without any qualities, without desire or will of any kind. He is totally incomprehensible. " (Jacob Angus, *The Meaning of Jewish History* (1963) p. 286.

In fact, God is perfection, the form necessary for human evolution. *Be ye therefore perfect as your Father in heaven is perfect*. (Mathew 5-48)

True religion assumes God is present in the human soul. Obeying this voice, conscience is what makes us human.

Anyone who denies the existence of God is a Satanist, not an atheist.

The Cabala is satanic because it says *evil is part of God*: "God has two sides; [both] are essentially one thing; what we experience as evil is as Divine as what we experience as good."

Hence the expression gaining currency today: "It's all good."

The Cabalist exegesis continues:

"Many texts in the Kabbalah, including the Zohar, say that the task is not to destroy evil but to return it to its source — to "include the left within the right," in the Zoharic metaphor, "to uplift the fallen sparks" in the Lurianic one. In Chabad Hasidism, it is stated that evil exists as part of the Divine revelation itself. Indeed, to think that evil really is separate from God is, itself, the essence of evil, which is precisely the illusion of separation."

How To Catch A Cheating Partner And Identify Their Lover. Proven System

"Letting go of the reality of separate evil, and really accepting that the *sitra achra* [impurity, occult, evil] is a side of Divinity, is easy on paper and very difficult in reality. … Still, to the extent it is possible to do so, the notion is indeed life-changing. Everything is a flavor of Divinity."

Cabalists also believe in "redemption through sin" i.e. deliberately flaunting the Old Law by doing evil (adultery, incest, pedophilia.) The destruction of civilization (i.e. chaos) will provoke the return of the Messiah (the anti-Christ) who will rebuild the world according to Kabbalist specifications, with the Illuminati bankers playing God.

This is all Satanism. God is inherently good. In a true religion, you do not obey God by doing evil, or by pretending evil is part of God.

GASLIGHTING

The mass media is responsible for spreading this coronahoax. Therefore it is significant that in April a senior CBC reporter Don Pittis actually referenced this satanic dogma: "COVID-19 may be the catalyst — not the cause — of a painful but useful economic transformation. Retailers go broke, property and oil fall but maybe the economic pain will speed beneficial changes."

"According to the theory of *creative destruction* derived by Austrian economist Joseph Schumpeter in 1942 *from ideas proposed by Karl Marx,* economic and technological progress demands that businesses must die and industries and paradigms must be swept away to make room for new ones."
Karl Marx, the father of Communism, was a Cabalist and a Satanist. "Creative destruction" is the same satanist rationale they use for starting devastating wars. Clearly the hidden agenda behind the #scamdemic is social and economic change. Thanks to Satanists controlling the banking system, society is under relentless satanic attack, and is satanically possessed.
"Creative Destruction" explains why humanity is cursed by never-ending catastrophes. These are engineered by the Illuminati to attack and destroy anything that smacks of the healthy divine order — spiritual or natural. *They must destroy the old order before they can install their satanist tyranny. This behind the current #scamdemic. (Makow- Satanism Explained)*

People like Don Pittis who are sympathetic to Satanism permeate our body politic like a cancer.

SATANICALLY POSSESSED

Call it illuminism, secularism, Luciferianism, humanism, paganism or the occult: It's all Kabbalah.

Modern Western civilization has no moral legitimacy (and no future) because it is based on a rebellion against God, who represents the path of our spiritual development.

Think All Collagen Supplements Are The Same? Think Again

Humanity had been hijacked by psychopaths intent on destroying the "old order" and building a bizarre, solipsistic, violent, depraved dystopia in its place.

These psychopaths control our government's credit and mass media. Thus, they are able to purchase our leaders and dupe society into embracing its own downfall.

"Personally, I see no religious aspects to what's happening & if there is, it's as likely to be sects of Christianity as Judaism.
As a result I'm uninterested in the organized religion component. I'll leave it to others. "A man's gotta know his limitations". That said, I feel a spiritual component to this war."
